

# BOOST YOUR 3D PRINTER SALES WITH FINANCIAL EASE!

## Choose the ScanSource 3D Finance Program that Fits Your Needs\*

The prospect of tapping into a new opportunity like 3D printing is certainly exciting. However, we know that paying cash outright for the equipment and inventory can drain your working capital. If you want to build your business opportunities without the upfront cost, the ScanSource 3D finance program is just the ticket!

## WE CURRENTLY OFFER THREE OPTIONS TO HELP YOU FINANCE YOUR 3D PRINTER:

### NET120/NET60+ FLOOR PLAN FINANCING

1. Dealer orders inventory from ScanSource
2. ScanSource ships inventory to dealer
3. ScanSource invoices finance partner for payment
4. Finance partner pays supplier
5. Dealer pays finance partner

### 24 MONTH PLAN

[with two upfront payments]

Double the term and cut your payment in half.

HARDWARE	3D Printer
TOTAL COST	\$50,000
MONTHLY COST	\$2,083 (after upfront payments)

### 36 MONTH LEASE PROGRAM

[with zero advanced payments]

36 month payments provide maximum flexibility for your budget and your cash flow

\$50,000
\$1,572.50 PER MONTH

**If you're ready to increase your 3D business, the ScanSource team is here for you. Give them a call at 855.252.6589 or email [3Dsales@scansource.com](mailto:3Dsales@scansource.com) today!**

\* Financing options are offered in partnership with financial institutions. Reseller must qualify for financing through these institutions.

† Net 120 financing available for demo pro printers. Net 60 financing available for all pro printer purchases.
